

**CASE MANAGEMENT MEETING NOTES****July 1, 2003**

Counsel have prepared master discovery and interrogatory documents which were reviewed by the court. Most of the proposals were mutually approved; those that remain were submitted to the court and the court and counsel will work concurrently on development of a complete document which should be posted on this bulletin board within the week.

Visited the video conferencing room at the Akron U. Library and approved both the location and the technique for videoing testimony there. Counsel are to contact Steve Allen direct to arrange appointments for taking of trial testimony. His number is 330 972 7581, fax, 3309726142. It is anticipated that party deposition testimony in the first cases will begin soon.
