

WC/ASBESTOS MANAGEMENT COMMITTEE

Tentative Agenda - June 17, 2003, 2 P.M.

Comments on notes of last meeting. Is Bulletin Board working?

Status report. Multi-defendant summary judgment overruled; these cases (Watson, etc.) On track for trial date.

Multi-defendants may be named. (Watson)

Change captions of cases to conform to the real plaintiff (in former multi-plaintiff cases).

Reference to primary case in briefing - is it working?

Pretrial issues: Issues that may be resolvable by summary judgment or stipulation (instead of directed verdict).

Fact of employment with given defendant, and dates

Fact of existence of asbestos during term of employment

Fact of exposure to asbestos during term of employment

Fact of harmful exposure during term of employment

Fact of existence of disease claimed. ("Not inconsistent with...;may have...")

Fact of acceleration of disease during term of employment

Others?

Pending motions - request resolution. Some of the motions to dismiss will have been overruled subsilencio.

Three dismissals because of multiple plaintiffs reinstated and severed. Are there others?

Can we reduce paper work by endorsing simple "granted" or "overruled" on the face of a motion and re-filing the cover page?

Susie Steinhauer will be legal clerk for cases. Contact her at (330) 643-7653. Fax (330) 643-7791.

Other business.

Next meeting set _____.
